Subject: ZCSD Out of School Events

The Zachary School System and Police Department take a great deal of pride in providing a safe and fun experience for everyone attending school events. With this in mind, we are now requiring that students under the age of 15yrs old be accompanied by their parents or a responsible adult for all high school events. If for any reason an unaccompanied student is involved in an incident while attending an event, the parents (or guardians) of the student will also be subject to receiving criminal charges. We thank you for your support and understanding as we strive to keep these events safe for all who attend.
